ACE LT 12000

DIESEL POWERED

High-Voltage 240,000 Lumens Heavy Diesel Mobile Lighting Tower

MAST HEIGHT	LIGHT / LUMENS	POWER / RUNTIME	COVERAGE AREA
39 ft (12.0 MTR)	4 x 300W-500W LED (2,40,00...	80+ Hours (100L Escorts Ku...	8000 sq. m

POWER & ENGINE SYSTEM	TECHNICAL SPECIFICATION DETAILS
Engine Make & Model	Escorts Kubota 14.5 HP Water-Cooled Diesel
Rated Speed	1500 RPM
Alternator / Output	220V Connection Board Output with Auxiliary Power Sockets
Fuel Tank Capacity	100 Liters (Diesel)
Operating Runtime	80+ Continuous Operating Hours
Starting System	12V Heavy-Duty Electric Starter

LIGHTING SYSTEM & OPTICS	TECHNICAL SPECIFICATION DETAILS
Floodlight Configuration	4 x 300W - 500W High-Voltage LED Luminaires
Total Luminous Flux	2,40,000 Lumens (40,000 to 60,000 lm per light)
Illumination Area	Up to 8,000 sq. meters
Luminaire Protection	IP67 / IP68 Cast Aluminum Heavy Housing
Beam Orientation	Independent 3-Axis Multi-Directional Manual Aiming

MAST & TOWER ASSEMBLY	TECHNICAL SPECIFICATION DETAILS
Maximum Height	12.0 Meters (39 ft) Ground Level to Light
Mast Material	Heavy-Duty Galvanized Steel
Elevation Mechanism	Self-Locking Worm Winch with Stainless Steel Cable
Rotation	355° Rotation with Positive Locking Pin
Wind Stability	Certified Stable up to 100 km/h with Outriggers

CHASSIS, TRAILER & MOBILITY	TECHNICAL SPECIFICATION DETAILS
Trailer Chassis	Heavy-Duty Single Axle with Leaf Spring Suspension
Tyres	14" All-Terrain Pneumatic Wheels (Highway Towable up to 80 km/h)
Stabilizers	4 Independent Wind-Down Outrigger Jacks with Footpads
Lifting Points	Integrated Central Crane Lifting Eye & Forklift Pockets
Gross Weight	700 kg
Dimensions	Travel: 2.3 x 1.4 x 2.4 m | Operation: 2.6 x 2.4 x 12.0 m

CONTROLS & SAFETY SYSTEMS	TECHNICAL SPECIFICATION DETAILS
Control Panel	Weatherproof Canopy Compartment with MCBs
Engine Protection	Low Oil Pressure & High Coolant Temperature Automatic Shutdown
Electrical Safety	Earth Leakage Protection & Individual MCB per Luminaire
